AWARD

**(Delivered on this the 31st day of the month of
October of the year 2023)**

By order dated 11-05-2018, bearing No. 28/9/2018-LAB/319, the Government of Goa in exercise of powers conferred by Section 10(1)(d) of the Industrial Disputes Act, 1947 has referred the following dispute to this Tribunal for adjudication:-

"(1) Whether the action of the management of M/s Goa State Co-operative Milk Producers' Union Limited, Curti, Ponda, Goa, of non-implementation of the Modified Assured Career Progression Scheme (MACPS) to all their eligible employees, who are on the roll of the Society as on 18-01-2018, is legal and justified?"

(2) If not, to what relief the workmen are entitled to?"

2. Upon receipt of the reference it was registered as IT/07/2018 and notices were issued to the Parties.

3. The Workmen (Party I) has filed their Claim Statement. The Employer/Party II has filed its Written Statement. The Workmen/Party I have filed their Rejoinder.

4. The case of the Party I in the Claim Statement is that Party II procures milk from farmers and processes the same in its Factory at Curti, Ponda-Goa and thereafter sells the same in the market. That the workmen of Party II are paid in accordance with the recommendations of the Pay Commission. That Party II had implemented the recommendations of the VI Pay Commission. That, in the past the benefits of Modified Assured Career Progression Scheme

(MACPS) were extended to senior workers. That Party II has not extended the benefits of the MACPS to the workmen who have completed the prescribed years of service from 2007 onwards. That the workmen raised a demand for the implementation of MACPS by letter dated 08-08-2013.

5. That Party II refused to grant the benefits of the MACPS. That by letter dated 01-06-2017, the Goa Milk Union Employees Association raised an industrial dispute before the Assistant Labour Commissioner, Ponda. That, the dispute was raised on behalf of 91 workers. That, the conciliation proceedings before the Assistant Labour Commissioner ended in failure on 10-01-2018. That after the failure of the conciliation proceeding, Party II passed orders dated 28-03-2018, 27-04-2018, 30-06-2018, 30-07-2018 and 30-08-2018. That by these Orders, Party II granted the benefits of MACPS to the workmen. That, promotions were granted from the date of the prescribed years of service.

6. That, nevertheless, Party II did not pay the workmen the arrears and increased wages were paid only from the date of Order. That the workmen are entitled to the said arrears from the date of promotion to the date of implementation together with interest at the rate of 10% per annum. Therefore, it is prayed that it be declared that the action of the Employer in not paying the arrears arising out of the implementation of the MACPS from the date of promotion is illegal, unjustified and bad in law. That the Employer be directed to pay the arrears from the date of promotion till the date of implementation along with interest at the rate of 10% per annum.

7. Party II states that it is a Co-operative Society engaged in processing milk and selling the same in the market. It is admitted that the workmen employed by Party II are paid in accordance with the recommendations of Pay Commission. That Party II has implemented the recommendation of the VI Pay Commission. It is admitted that Party II had in the past granted the benefits of MACPS to senior workers. It is denied that the benefits of MACPS was not extended to those workmen who have completed the prescribed years of service from 2007 onwards. It is admitted that the Goa Milk Union Employees Association raised an industrial dispute on behalf of 91 workers before the Assistant Labour Commissioner, Ponda by letter dated 01-06-2017. It is admitted that the Assistant Labour Commissioner, Ponda initiated conciliation proceedings which ended in failure.

8. That after the failure of the conciliation proceedings, Party II passed orders dated 28-03-2018, 27-04-2018, 28-05-2018, 30-06-2018, 30-07-2018,

30-08-2018, 31-01-2019, 28-07-2019 and 22-10-2019 granting the benefits of the MACPS to the concerned workmen. That by Board Resolution No. 9 dated 07-02-2018 it was resolved not to grant the arrears of the MACPS to the concerned workmen. It is denied that as per Order of Promotions, the concerned workmen are entitled to arrears from the date of promotion to the date of implementation together with interest at the rate of 10% per annum. That, Party II is not an industry and the present dispute is not an 'industrial dispute' as defined under the Industrial Disputes Act, 1947. That, the Goa Milk Union Employees Association does not have the locus standi to raise the dispute on behalf of the workmen. That, the appropriate Government has referred the present dispute without application of mind. Therefore, it is prayed that the claim of Party I be disallowed.

9. Party I states in their Rejoinder that Party II is having a Factory registered under the Factories Act, 1948. It is denied that Party II is not an industry and that this dispute is not an industrial dispute as defined under the Industrial Disputes Act, 1947. It is denied that the Goa Milk Union Employees Association does not have the locus standi to raise a dispute on behalf of the workmen. It is denied that the appropriate Government has referred this dispute without application of mind. It is denied that there is no merit in the present dispute raised by Party I.

10. Heard arguments.

11. The Union Representative for Party I, Shri P. Gaonkar and the Learned Advocate for Party II, Shri P. Chawdikar have filed Written Arguments.

12. The following issues were framed by this Tribunal and my findings thereon are as follows:-

Sr. No.	Issues	Findings
1	2	3
1.	Whether the Party I proves that non implementation of Modified Assured Career Progression Scheme (MACPS) by the Party II to all their eligible employees, who are on the Roll of the society as on 18-01-2018 is illegal and unjustified?	Partly in the affirmative.
2.	Whether the Party I has locus standi to raise the present dispute?	In the affirmative.
3.	Whether Party II proves that reference is not maintainable as claim of Party I is not an	In the negative.

1	2	3
	"Industrial Dispute" as defined under Industrial Disputes Act, 1947?	
4.	What relief? What Award?	As per final order.

REASONS

13. *Issue No. 1:* The original dispute between the Parties is whether the non-implementation of Modified Assured Progression Scheme (MACPS) by Party II to all the eligible employees who are on the Roll of the Society as on 18-01-2018 is illegal and unjustified.

14. Nevertheless, Party I has stated in their Claim Statement that after the failure of conciliation and before the reference to this Tribunal, Party II had passed orders dated 28-03-2018, 27-04-2018, 30-06-2018, 30-07-2018 and 30-08-2018 granting the benefits of MACPS to the concerned workmen. That, although the date of effect of the MACPS was shown from the date of prescribed years of service, Party II did not pay the concerned workmen their arrears. That the concerned workmen were paid the enhanced wages prospectively i.e. from the date of the order.

15. Party II has admitted that arrears were not paid. Party II states that Party I is not entitled to arrears by virtue of Board Resolution No. 9 dated 07-02-2018.

16. Party II has admitted in its Written Statement that Party II was paying its workmen in accordance with the recommendation of the Pay Commissions. If that be the case, Party II will have to pay its workmen the arrears from the date of effect.

17. For the reasons stated above, Party I has proved that Party II has passed order (Exh. 16) granting the benefits of MACPS to its workmen and has been paying the workmen enhanced wages prospectively, i.e. from the date of the order. Admittedly, the arrears has not been paid. There is no justification for non-payment of arrears. The non-payment of the arrears from the date of effect to the date of order is illegal and unjustified. Hence, I hold Issue No. 1 partly in the affirmative.

18. *Issue No. 2:* It is the case of Party II that Party I has no locus standi to raise the present dispute.

19. Party I claims to be a registered Trade Union representing the workmen of Party II. Party II has not denied the same.

20. As such, Party I has the locus standi to raise the dispute on behalf of the workmen of Party II. Hence, I hold Issue No. 2 in the affirmative.

21. *Issue No. 3:* The case of Party II is that the reference is not maintainable as the claim of Party I is not an “industrial dispute” as defined under the Industrial Disputes Act, 1947.

22. Section 2(k) of the Industrial Disputes Act, 1947 defines industrial dispute as follows:-

“industrial dispute” means any dispute or difference between employers and employers, or between employers and workmen, or between workmen and workmen, which is connected with the employment or non-employment or the terms of employment or with the conditions of labour, of any person.

23. In this case, Party I is trying to get the VI Pay Commission Report implemented. It is a dispute between employer and workmen regarding the terms of employment. It is an industrial dispute. Therefore, Party II has failed to prove that there is no industrial dispute and the reference is not maintainable. Hence, I hold Issue No. 3 in the negative.

24. The Workmen (Party I) is claiming arrears from the date of promotion to the date of implementation together with interest at the rate of 10% per annum.

25. It has been held by the Hon'ble Supreme Court Judgment dated 04-03-2020 in **Union of India and Others V/s M. V. Mohanan Nair (Civil Appeal No. 2016 of 2020, arising out of SLP (c) No. 21803 of 2014)** that grant of the benefits of MACPS will not amount to a “functional/regular promotion”.

26. Therefore, the word “promotion” in the Statement of Claim by the Workmen/Party I should be made to mean “date of effect”. The workmen (Party I) are entitled to arrears of the benefits of MACPS from the date of effect to the date of implementation of the MACPS orders.

27. It is the usual practice not to grant interest for arrears of wages. Therefore, no interest requires to be granted.

28. Before concluding it is necessary to mention that this case can be decided on admitted facts in the pleadings. Therefore, the evidence is not referred to in this Award.

Hence, I pass the following:-

ORDER

- (i) The Employer (Party II) is directed to pay the Workmen (Party I) arrears arising out of the implementation of the MACPS from the date of effect to the date of implementation.
- (ii) No orders as to costs.
- (iii) Inform the Government accordingly.
